

# What the critics say...

**DOLPHINS AND WHALES: TRIBES OF THE OCEAN**

“

## **The Kansas City Star**

"Never have the secret lives of our intelligent fellow mammals been so beautifully depicted."

**Jason Heck**

## **The Boston Globe**

"You're guaranteed the experience you came for: an up-close look so realistic you might actually duck to avoid a passing tail fin."

**Janice Page**

## **Providence Journal**

"This is something you don't see every day."

**Michael Janusonius**

## **The Minneapolis Star Tribune**

"Beautifully shot, it's a visual feast for adults and children alike."

**Peter Schilling**

## **MetroWest Daily News**

"Moviegoers, young and old, should have a whale of a time watching it."

**Bob Tremblay**

## **Australian Associated Press**

"Stunning close-ups of these captivating cetaceans in their own environment."

**Judy Skatssoon**

## **Austin American Statesman**

"A majestic and expansive look into the survival of the endangered species of the seas."

**Angela Grayson**

## **The Chicago Tribune**

"Many beautiful underwater shots including a voracious fin whale downing a school of fish in one gulp and singing humpback whales in all their massive grace."

**Michael Esposito**

## **FOX25 Morning News Boston**

"Be sure you get out and see this fantastic film."

**Kim Carrigan**

## **The Times Picayune**

"It takes viewers on an often-remarkable undersea journey."

**Mike Scott**

## **Time Out Chicago**

"At first glance, dolphins and whales seem like an unlikely choice for the 3D treatment... but the first time a camera cruises down the side of a whale, that objection falls away."

**Hank Sartin**

## **The Straight**

"The images are elegant, given the grace of the creatures under barnacle-close examination."

**Ken Eisner**

## **The Tulsa World**

"Teaching viewers about the conservation of our oceans while offering remarkable, so-close-you-can-touch footage of bottleneck dolphins, killer whales and more."

**Michael Smith**

## **Plenty Magazine**

"While the film is kid-friendly, its stunning underwater footage will keep adults at the edge of their seats."

**Tobin Hack**

”

**"We need to act responsibly in order to ensure the preservation of the world's oceans and its inhabitants because, in the end, the most crucial allies whales have are YOU and me."**

**Jean-Michel Cousteau**
